## Module Overview

### Module Overview

The SUNAT Payroll module automates payroll processing in compliance with Peruvian tax regulations, covering:

- Gross and net salary calculations
- 5th-category income tax withholdings (IR 5ta categoría)
- AFP and ONP pension contributions
- ESSALUD employer contributions
- Electronic payslip generation (PDT 601)

## Installation Guide

### Installation Guide

Install the module from the Odoo Apps menu or by adding it to your `addons_path`.

### Dependencies

The module requires `hr_payroll` and `l10n_pe` to be installed first.
